EDUCATION

Swami Vivekanand Institute of Engineering Technology

Punjab, India

MCA Computer Science and Engineering (7 CGPA)

09/2023-08/2025

MMHAP&U

Patana, India

B.C.A Computer Science (69.44%)

08/2019 – 09/2023

PROJECTS

Supply chain Management

Implemented Spring Boot to build modular supply chain services including inventory tracking, order processing, vendor management, shipment updates, and demand forecasting. Used REST APIs for seamless communication, Hibernate for data persistence, JWT security for authentication, and Scheduler tasks for automated stock updates, ensuring efficiency and real-time visibility.
